## 2026 Per Capita

If you haven't yet paid your **per capita for 2026**, you still have time. Per capita is the amount that the church pays per Active Member to the Presbytery, Synod and General Assembly for services provided. For 2026, this is **\$46 per Active Member**. Your donation is **greatly appreciated!**

## Family News

We are delighted to learn that after having gone to Burlington, **Arvilla** and **Vern Aldous** each received positive results regarding their health. WAHOO!!! We are over the moon!

Congratulations to **Cameron Boswell** who was named to the Dean's List at SUNY Canton for the 2025 fall semester!

This week Rev. Mike spoke with **Melba Reinke** out in Bozeman, Montana. She shared the sad news that her son, Michael, has died. Michael had been in poor health from some time. He is Melba's third son to have died, leaving only, Carl (who lives in Bozeman near to Melba). Please keep Melba in your prayers. Cards and phone calls always welcome. As she always says to Rev. Mike, "She misses her church and her friends in Canton." 2219 West Oak Street Apt. 306, Bozeman MT 59718. She'd love to hear from you.

Prayers for **Cati Gollinger** suffering from, and soon to be treated for gallstones.

Prayers for **Olivia Sullivan** on the death of her maternal aunt, Kim Pierce.

Continued prayers for **Vicki McLain** on the death of her father, Scott, at the end of December as she continues to grieve, heal, and adjust. Vicki and Martin are back in Canton now following the funeral. Let us also remember **Vanessa Syvertsen** who officiated her grandfather's service. It is difficult being made to wear two different hats in such a situation, so we pray that Vanessa has the opportunity to grieve the loss. Vicki relates that (unsurprisingly) Vanessa did a *wonderful* job. Vanessa is a child of our church, an ordained Presbyterian minister who has been working as an educator in Troy for many years. She is also a Parish Associate here at our church. She typically fills the pulpit the last week in July and the first week of August when Rev. Mike is on vacation.

## Family News - cont.

Prayers for **Paula Eschmann** as she continues to heal from a serious motor vehicle accident. Cards may be sent to 748 Miner Street, Canton, NY 13617.

Prayers for **Drew & Ela White** and their daughter, **Victoria**, who have been going through a challenging time.

**Bob Fraser** is now living with his daughter, **Karen McAuliffe**, and her husband, **Joe**, at 49 Bird Street, Canton NY 13617 (Bob & Betty's former home). Cards welcome. Call ahead to Bob on his cell phone regarding visiting (315) 323-8416.

On-going prayers for **Lew Shepard** and **Marilyn Coir** in their days; **Rich Denison** who continues to face health concerns, **Christa Lyon**, **Joe Bean** (and wife **Mary**), and **Josh Holbrook** facing health challenges; Janet Favro currently residing at Keene Valley Neighborhood House (Attn Janet Favro, P.O. Box 46, Keene Valley, NY 12943); **Wanda Renick** a resident of the Canton Nursing Home (cards greatly appreciated (United Helpers NH, 205 State Street, Canton, NY 13617).

Continued long distance prayers for Jeannie Lewis, a former church member who lives in NH and is the daughter of Elsie Dana, being treated for macular degeneration.

**We pray for parents raising children, and children caring for parents.**

## Frozen!

More and more we are finding the opportunity to provide a **meal** for individuals with sickness, hardship, or a cause for celebration. Often the timing of these needs does not allow everyone who might want to participate to do so. With that in mind, we have acquired a **small freezer** designated specifically for this.

If you would like to provide a **casserole** or **quart of soup** to add to the freezer, please contact **Jean McGuire** (315) 854-0516 or **Beth Hayes** (315) 244-7902. Our goal is to have a **continuous supply**, meaning this will be an ongoing request that a few people might answer at a time. Quart soup containers and 9 x 9 disposable pans will be available. Items need to be labeled with a list of ingredients and heating instructions. Thank you for your help and patience as we try to get this endeavor off the ground.

# The Pastor's Report

The warmest of greetings to all of you in these very frigid days!

This first Sunday in February following worship we will be holding our Annual Meeting of the Congregation which, in the business world, might be understood as a meeting of the shareholders and investors. Though a church is first and foremost a spiritual abode and community founded on faith, we are also an entity composed of stone and mortar held together by financial realities and concrete concerns. The Annual Meeting is the intersection of these two aspects of our lives together into one common and shared reality or truth.

I had intended to use this month's Pastor's Report to articulate a "State of the Church" address which would recap where we have been as an organization in the past year and, having done so, look forward to the new year and the direction we will hope to travel. Upon further reflection, however, I have decided this is either an oversimplification of a very complex reality or, conversely, an effort to overcomplicate that which is in actuality a fairly simple situation. On this I waver.

Of course, our perspective on any issue, object, or idea correlates to one's current context. That is to say, our understanding of the world around us is a function of where we find ourselves standing within it at any particular moment.

Though not necessarily atypical, the days leading up to the composition of these words were particularly "multi-fold." In plain speak, the context within which I found myself saw an awful lot of a great variety of things all going on at pretty much the same time. Were I to rattle off a list of what is happening at the church on any given day (such as this day) it might include things such as: furnace repairs, doors being installed at the manse, chronic (bulletins and NL) or acute (park use, annual reporting) administrative tasks, meeting with candidates for the Choir Director and Pianist position(s), conversations with community members, numerous emails and text sent/phone calls made. Then it was time for lunch.

All these "necessary" things can be objectively seen and measured. That said, the most important stuff we do as a church is hardly ever seen and can never be measured. They exist nonetheless and (usually) are *extremely* serious. When you are part of a church this is your current context as well, regardless of if you know it or not.

The "State" of our church isn't any *one* thing which can be easily or wholly articulated. Instead, it is a fluid flow of life's unfolding in each new day. It is only and ever all things at once, made richly manifest in our ordinary moments. As it should be. - Rev. Mike

"This is the day that the Lord has made; let us rejoice and be glad in it." - Psalm 118:24

## Fax Machine Wanted

In the flurry of cleaning out the basement last fall, the **church fax machine** was somehow taken to the **dump**. We only hook it up on the rare occasion it is needed. However, for some purposes only a fax will do. While it is not mission critical, it would be nice to have a fax machine in the office once more. If you have a fax machine sitting around your house not being used and would like to **donate** it to the church, please speak with **Rev. Mike** or **Christy** in the church office. **Thank you!**

## Holy Rollers

Have a bowl full of pennies? Did you discover a lot of coins in the cushions? If you have too much **loose change** to bring to church for **Noisy Can Sundays**, call the Holy Rollers. We will come to your house to sort, roll, count your change, and make sure it gets deposited so that you can donate to the Noisy Can Youth Mission. Contact **Michelle Theisen** at (315) 742-2172 or **Rob Ewy** at (315) 212-9425 to schedule a time.

## Dr. Dave's Joke(s) of the Month

Three women die at the same time so there is a line waiting to get into heaven.

St. Peter asks the first women what she did with her life. She reports that she was a very devout **Catholic**. She went to Mass every day, and she made food for the homeless. As proof she reaches into her purse and pulls out a Rosary. St. Peter welcomes her to heaven.

St. Peter asks the second women what she did with her life. She reports that she was a very devout **Jehovah Witness**. She went door-to-door giving out copies of the Watch Tower, trying to recruit people for her church. As proof she pulls out a copy of the Watch Tower from her purse. St. Peter welcomes her to heaven.

St. Peter asks the third women what she did with her life. She reports she was a very devout **Presbyterian**. She begins searching through her purse and tells St. Peter there must be a casserole in here somewhere.

## Saving Grace

God, we thank you for all your gifts.

This day, this night,  
these fruits, these flowers,  
these trees, these waters -  
With all these treasures  
you have endowed us.

The heat of the sun,  
the light of the moon,  
the songs of the birds and  
the coolness of the breeze,  
the green, green grass  
like a mattress of velvet,  
all owe existence to your grace.

Dear God,  
May we forever breathe the breath  
of your love and every moment  
be aware of your presence above.

Rev. Mike had an elaborate message for the kids about the Spirit that is in and upon them involving shaken soda cans (hence the tarp on the floor)

Toby Walch is back in fine form following a pretty serious crash on his bicycle, He is even back to work teaching! He would like to thank everyone for the cards, concern, prayers and (even) an unexpected visit from Linda and Rev. Mike
